Section-II

RULES REGULATING LAUNCHING, COLLECTION AND RAFTING OF TIMBER AND THE REGISTRATION OF TIMBER, PROPERTY MARKS UNDER SECTION 41 (b) (c) (d) (e) (h) & (i) & 42

3. No person shall launch, float and/or raft timber in any river without a written permission of the Divisional Forest Officer concerned in accordance with these rules.

4. Any person, wishing to float or otherwise convey timber by any river shall register at the Forest Office of the Division to which the control of the river pertains, as specified in schedule I to these rules, the mark or marks to indicate the proprietary right in such timber. A registration fee of twenty-five rupees shall be payable for every separate mark so registered and if the number of marks exceeds three in case of one person/firm, the said fee shall be fifty rupees for each mark.

5. No person shall be allowed to register a mark already registered in favour of another person nor any mark used by Government, and the Forest Officer may refuse registration of any mark which in his judgement so closely resembles a mark used by Government or registered in favour of any person, as to be easily producible by altering such marks.

6. Every registration under these Rules shall hold good for three years following the first of January next after the date of registration.

A certificate showing the marks registered, the date of registration, the period for which it holds good and acknowledging the payment of the fees, shall be given to every person registering his mark or marks.

7. Notwithstanding anything contained in the foregoing rules:—

- (i) temporary property marks, for special consignment of timber to be transported by water, may be registered by the Forest Officer in charge of the Division to which the control of the river pertains, or with the written permission of such Forest Officer by the River Range Officer;
- (ii) such registration shall be made under such conditions as the Conservator of Forests may from time to time direct;
- (iii) a fee of rupees five shall be payable for every separate mark so registered;
- (iv) every such registration shall hold good for three months only from the date of the registration; and

Provided that:—

Temporary property mark will not be required for any timber of a right holder, obtained for repair/construction of his house or farm building in accordance with his rights thereto under Forest Settlement or cut it in his own land; provided that such timber is either conveyed across the river or is transported in the river over a very short distance.

8. All persons wishing to launch timber by any river, after registration in accordance with the rules above, shall apply, in the form to be prescribed by Chief Conservator of Forests, thirty days before the intended date of launching, to the Divisional Forest Officer in charge of the Forest Division in which such river is situated or to such subordinate Forest Officer as the Divisional Forest Officer in charge of the Division may authorise in that behalf.

9. The Divisional Forest Officer or the subordinate Forest Officer, as the case may be, shall verify the parti-

culars of the application, and after satisfying in particular the correctness of the source, shall issue a pass in the form to be prescribed by the Chief Conservator of Forests, seven days in advance of the requested date of launching.

No person is permitted to deposit any timber for which a pass has been applied, but not yet issued, so close to the water's edge so as to endanger its being carried away by rise in the river before the pass is issued.

10. For the issue of the pass, a fee not exceeding fifty paise for each log containing a minimum of 25 cum., 20 paise per piece of round or split timber and 25 paise for each sawn or cut timber shall be charged before issue of the pass, provided that in case of a forest lessee, the issue of pass shall not be withheld on the reason of non-payment in advance.

11. No person, having launched his timber, or set it afloat on any river, shall collect the same except:—

- (i) with the permission in writing of Forest Officer in charge of the Forest Division;
- (ii) at the places which such officer may publically notify as places, at which such collection shall ordinarily be made.

12. (i) No person, shall raft, or otherwise convey, any timber which has been collected on any river without obtaining a pass in the form to be prescribed by the Chief Conservator of Forests from the Forest Officer in charge of the Forest Division in which such river is situated, or from such subordinate Forest Officer as the officer in charge of the Forest Division may authorise in that behalf.

(ii) A Forest Officer may require any person rafting or conveying timber as aforesaid, to produce the pass for the same at any time. No person shall be entitled to raft or convey timber by virtue of a pass, which he does not himself hold, but which is, or is stated to be in the hands of some other person.

In the event of the pass not being produced, the Forest Officer may detain the timber.

(iii) In the event of the time mentioned on the pass as that for which it shall remain in force having expired before arrival at destination of the property covered by the pass, the Forest Officer in charge of the Division may extend the period during which the pass shall be further valid for such time as he may think proper at a charge not exceeding twenty-five per cent of the fees chargeable under rule 10.

13. No person shall, without the written permission of the Forest Officer in charge of the Division:—

It shall specify such conditions as to the previous inspection of the timber, examination of the records of timber etc., by a Forest Officer not below the rank of a Forest Ranger.

(iv) Every such registration shall bind the owner or the person incharge of the saw-mill/sale depot to maintain a correct record showing the receipt of the timber from various sources, sawn into various sizes and the disposal by sale or otherwise in the registers in the forms to be prescribed by the Chief Conservator of Forests, in particular to show the source of timber received with date and kind, sawn out in detail and records of disposal.

(v) Every owner/incharge of registered saw-mill/depot shall be bound to produce and allow to be examined with the stocks the afore-mentioned records to any Forest Officer not below the rank of a Forest Officer.

F.A. or by a Magistrate.
